## Welcome Backyard Kitchen and Tap

The newest addition to Pacific Beach, [Backyard Kitchen and Tap](#) recently opened in the space previously occupied by Moondoggies, renovating it into a modernly rustic grub-and-brew hotspot.

**Backyard Kitchen and Tap** presents “a place for PB to play.” As the name suggests, this chic, yet cozily coastal American eatery is a natural fit for the laidback vibe of Pacific Beach.

James Nunn, executive chef, brings his expertise from working at Union Kitchen and Tap to create delicious coastal fare that reflects the beauty surrounding Pacific Beach. Savor homemade specialties with a large opening menu that satisfies hungry appetites for lunch and dinner. Start your meal with Backyard’s gourmet flatbreads, Baja shrimp ceviche or chicken salad before moving on to lobster mac and cheese, BBQ jerk chicken or the Backyard Burger.

With an extensive list of craft cocktails and local beers to choose from, Backyard Kitchen and Tap offers the perfect culinary pairing experience for everyone. During your visit, don’t forget to save room for dessert! Try their tasty S’mores with traditional Honey Graham cracker, chocolate ganache, toasted marshmallow, and smoked sea salt caramel. The salty & sweet dessert will be sure to hit

the spot. ALTSTRAT
